

Position Description: Director of Networking

About CNSA

As the peak professional body for cancer nursing, the CNSA strives to promote excellence in cancer care through the professional contribution of cancer nurses. To achieve this mission, the CNSA acts as a resource to cancer nurses around Australia, no matter what their geographical location or area of practice. CNSA is the link between cancer nurses in Australia, the consumers of cancer nursing services, and other health professionals involved in cancer care.

Purpose

The Director of Networking facilitates opportunities for cancer nurses to connect, collaborate, and share knowledge. This role enhances the professional community and supports the exchange of best practices among CNSA members.

Criteria

- CNSA member with experience in cancer nursing.
- Strong networking and relationship building skills.
- Excellent communication, consultation and facilitation skills.
- Ability to develop and implement networking strategies and events.
- Knowledge and ability to facilitate connection of people.

Key Responsibilities

- Facilitate networking opportunities for CNSA members.
- Organise and promote networking events and activities.
- Support the exchange of best practices among CNSA members.
- Enhance the professional community within the CNSA.
- Facilitate connection of cancer nursing groups or individuals to enhance professional development.
- Contribute to Board reports, newsletter articles and the Annual Report as relevant to the role
